Dear Mack

Namaste.

Thank you for your letters and also for Julia, Paige and TaylorRose. I am very happy for your letters.

And I wish you a very happy New year 2069. It is Nepali New year. Now it's very hot here. Summer has just started but here it is too hot. I am very happy that all your students liked my Marks sheet and Drawing.

Thank you for keeping hopes but I will complete my education, attend college and become a nice person who help the friends and help in development works. but I haven't thought for upcoming subjects.

Thanks again for your letter.

Dear Julia Zeigler

Namaste

Thank you for your letters and question - I am very happy for your question and now I am going to answer it.

Our National flag ~~look~~^{is} like very unique because it ~~is~~ look like the combination of Two Triangles and one triangle contain moon and second triangles contain ~~moon~~ Sun. But inside, it is red in colour and ^{it's} outline colour is Blue. So it's look's very Nice. And my favorite colour is blue.

Yes, I have homework every night but Friday. There is few periods like 3 but in grade 10 There is periods like 8 so, we have homework everynight. My favorite thing is going swimming, playing football, playing basketball etc and I also love music. ~~Here~~ a New season has just started and we are in grade 10. Our classes is going on day by day. We are learning very new things like new formula of Maths and O.maths, etc.

Dear TaylorRose,

Thank you for your ~~letter~~ letter and also a extra question about a Earthquake.

Many people died on that night and also it destroy many property. It appeared in 6:30 pm. We are watching television on that time when it came. We are OK here.

My home village is Dolkha. It is a very famous. tourist area. It is very beautiful. It is covered by forest. It have peaceful Environment. So, ~~in~~ every year many more tourist come here to visit.

This village.

The food I mention in my previous letter is dalbhat and it has very good taste. If we eat when it is hot then it is very delicious. Thank you for saying me a SUPER good drawer, and also for my report card. Thank you again for your letters.

Dear Puige,

Thank you for your letter and for some question to me.

My favorite color is Blue. My best friend is Sabin. My favorite subjects is science and O. Maths. Yes, ofcourse I would write about me.

My favorite book is Tomthomb. Thank you again for your letter.

your's friends
