

2010 5th Grade Baby Picture Program

Dear parents of 5th grade students:

We'll be honoring our outgoing 5th grade students with a multi-media show featuring *baby pictures*. For 13 years I produced a show like this at Sams Valley School, and this year I'd like to start the tradition at CPE. The show is always a big hit with parents and students alike, but this year's program includes one important addition: *your child*. No student wants to be left out, so we need you to take the following steps as soon as possible:

1.) Locate a photo of your child from when he or she was between six months and four years of age. Pictures between 3x5" and 8x12" with distinct colors and reasonably close-up and clear images of the baby work best. Toddler pics seem to be the most popular. Also, if you have school-related photos such as from class parties and special events from when your child was in the earlier grades, send those in as well.

2.) Deliver them to the school as soon as possible. **Include the student's name** and phone number with each photo—such as by using a sticky note on the back—so we can return the originals to you after the show. (We'll be making a digital copy from your prints). If you prefer to e-mail your own digital scan, send it to mack.lewis@district6.org.

3.) Attend the year-end assembly in June. We'll present the program then. Copies of the show may be available, but details have yet to be determined.

I appreciate your assistance with developing this program. I'm sure you'll remember it as an enjoyable and emotional way of giving this year's 5th graders the send-off they deserve. Please join us in making this memory. If you have any questions, please contact me at 494-6500 (days), 664-3947 (eves), or by e-mail at mack.lewis@district6.org.

Mr. Lewis, CPE
