

# Room 15 Adopt-a-Street Walking Field Trip

In an effort to include community service as part of your child's fifth grade education, the students of Room 15 have elected to participate in the City of Central Point's Adopt-A-Street Program. We have pledged to keep Hopkins Road a safe and pleasant place by holding a litter pick-up at least four times per year. Our first pick-up is scheduled for **Thursday, November 4<sup>th</sup>**. The City of Central Point will be providing safety vests, flashing warning signs, and trash bags.

We will be departing on foot at 8:45 and plan on returning to the school well before lunch. Students need to wear sturdy shoes and clothing appropriate for the weather. Each student will be provided latex gloves, but if students wish to wear their own work gloves from home, that is fine.

Adult chaperones are needed for this event. If you're willing to participate, please indicate so on the form below. We'll be counting on you to lead and supervise a small group. We'll also need one volunteer with a vehicle to move the warning signs as we proceed.

Rest assured, your child's safety is of utmost importance. We will be learning about and adhering to the strict safety guidelines established by the City. Please return the attached liability release and the permission slip (below) by Wednesday, Nov. 3<sup>rd</sup>. If you have any questions, e-mail me at [mack.lewis@district6.org](mailto:mack.lewis@district6.org) or call me in the evenings at 664-3947. Thanks for your cooperation in making this community service event a success.

Mr. Lewis
