

Read and Make Pictographs

The table shows the number of books some members of the Kids Reading Club at Central Library read one summer.

Number of Books Read During Summer	
Reader	Number of Books
Kendra	12
Joel	16
Dan	10
Mae	8
Emily	14

1. Make a pictograph from this data.
Key: _____

2. How did you decide what each picture would represent?

Use data from the pictograph for exercises 3–5.

3. How many more minutes a day does Phil read than Mary?

4. What is the total amount of time the club members spend reading in one day?

5. How much time does Zach read each week?

Average Time Spent Reading Each Day	
Greg	
Phil	
Jessie	
Zach	
Mary	

Key: = 10 minutes
