

Read and Make Bar Graphs

- The table shows the times Ken and Pat rode their bikes each day last week. Make a double-bar graph of the data.

Time Spent Riding a Bike (in minutes)

Day	Ken	Pat
Sunday	20	25
Monday	30	40
Tuesday	25	20
Wednesday	5	45
Thursday	20	35
Friday	15	35
Saturday	30	20

Use data from the graph for exercises 2–4.

- What is the mode of the data?

- Who won Game 4?
By how many runs?

- The team that wins 3 games wins the playoffs.
Who won the playoffs?
