Dear Mr. Lewis

I am fine and wish you all are fine there. I got your letter yesterday only. I was so glad to receive the letter and I was excited to read it. I feel much happy by reading it.

First of all thank you to you Kelsey and Maya for giving much more important time in writings letter for me and thank to all my friends to donate me. I am here in Nepal but I am so lucky to communicate with you all. As your class starts from 8am to 2:30 pm. My school starts from 10am - 4:20 pm. Many of my friends also play sports like basketball, soccer, Athletics in morning and evening. Now, I am going to briefly tell you all about my interest. I keep interest on studying science much than other, I want to study about our internal parts of body I like to help needy peoples.

I would like to heartily thank you for communicating with me which encourage me to do what I want. I hope you will send me letter again and again wish you will give me some suggestion for improves my study.

Now, I would like to stop my pen here and look forward for your next letter
