

May 13, 2021

Dear Families,

On May 20<sup>th</sup>, June 4<sup>th</sup>, and June 11<sup>th</sup> the fifth-grade classes will be taking field trips to the Rogue Nature Preserve near Sams Valley. On these days, we plan to leave campus at 9:15 a.m. and we will return to school at 12:40 p.m. In order

to maximize our brief time at the Preserve, students will be provided with a snack at the Preserve. When we return to school, students may pick up a sack lunch from the cafeteria to take home to eat.

Here's a list of the gear your child will need to bring on our field trip days:

- long pants (There's a lot of poison oak at the preserve!)
- a long-sleeved shirt (for sun protection and/or poison oak protection)
- comfortable shoes for hiking (sandals are not appropriate)
- a quart of drinking water (there's no drinking water at the preserve)
- a backpack for carrying water and any extra clothing layers
- sunscreen, hat, and sunglasses
- work gloves (optional but highly recommended)

Mrs. Torrey, Mr. Hadley, and Mr. Lewis

-----

My child \_\_\_\_\_ has my permission to attend the Rogue River Preserve fieldtrips on May 20<sup>th</sup>, June 4<sup>th</sup>, and June 11<sup>th</sup>.

## Central Point Elementary at the Rogue River Preserve: Spring 2021

---

Dear Families,

We are so excited to welcome your students to the Rogue River Preserve, a 352-acre protected property outside of Eagle Point. Visits are scheduled for **May 20, June 4, and June 11 2021**, or alternate dates as may be necessary due to unforeseen circumstances. Students will have the opportunity to explore the property's oak woodlands and floodplain forest under the supervision of Southern Oregon Land Conservancy staff members and CPE teachers, in addition to helping with stewardship tasks such as invasive species removal. For more information about Southern Oregon Land Conservancy, visit [www.landconserve.org](http://www.landconserve.org).

Feel free to be in touch if you have any questions, and thank you!

Tara Laidlaw, Education Program Manager
